A Charity Golf Tournament

We are raising funds for service dogs supporting our veterans, exceptional children, and first responders! Join us for golf, prizes, raffles, fun & games. SD Gunner Fund is a local, registered 501c3 charity that focuses on assistance to our veterans, exceptional children and first responders in the Coastal Empire. In 2019, SD Gunner Fund put \$40,000 back into the community it serves through the training & adoption of service dogs, assisting in past due medical and therapy bills, housing assistance, and funding for special needs classrooms. We appreciate your support.
